

What is the First Tee Diamond League and Little Linkers Program?

- Our First Tee Programs are conducted in the spring, summer, and fall and offer a valuable opportunity for boys and girls ages 7-17 to improve self-esteem and self-confidence that can provide years of enjoyment and peer recognition in both recreational and professional environments.
- The Diamond League and Little Linker program is designed for juniors that have demonstrated an understanding of the golf swing and an understanding of golf course etiquette. The program gives juniors an opportunity to practice their skills on the golf course and includes eight 9-hole rounds of golf.
- This is a **parent participation** program and a volunteer parent scorer will be required for each little linker group. Golf carts will be provided for parent scorers.
- All related green fees are included in the cost of the program.

What is the cost of the Program?

\$199 per session*

**Juniors will receive a \$25 discount for any additional Diamond Oaks First Tee program in which they participate within the calendar year.*
