

**Who is the “Right Start” program for?  
What will be covered?**

- “Right Start” group lessons are ideal for new and novice golfers who need to develop sound fundamentals and to learn how to implement swing shaping drills.
- Short-game skill development is included in each session to create a well rounded program.
- Players will be introduced to the rules of golf and learn proper etiquette and safety. The emphasis will be on the most common rules, particularly rules and etiquette specific to the putting green.
- Beginning with short irons and graduating to long irons and then to fairway woods and finally driving. This method provides the best opportunity to have success and build confidence.
